

## THE AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009

As of February 17, 2009

### **Analysis of *The American Recovery and Reinvestment Act of 2009***

The Conference Report on H.R.1, *The American Recovery and Reinvestment Act of 2009*, provides a total of \$463 billion in spending for transportation, infrastructure, health care programs, education assistance, housing assistance and energy efficiency upgrades. The bill also provides \$326 billion in personal and business tax breaks and tax provisions affecting payments to the states. Overall, the spending and tax cuts in the bill total \$789 billion.

On February 13, the Conference Report was passed by the House 246-183, with seven Democrats opposing passage and one voting "present"; no Republicans voted in favor of the bill. Later that same day, the Senate passed the Conference Report by 60-38; again with three Republicans voting in favor and no Democrats voting against. President Obama will sign the package into law today, February 17, 2009.
